

# Living the Calling

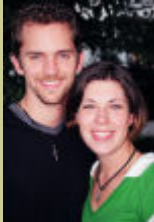

Monthly Update from NCI

March-April 2005

## Greetings!

*Living the Calling* is the monthly update newsletter for New Church Initiatives. We are sending you *Living the Calling* so that you can stay informed of the latest developments in our ministry, including both prayer requests and praises. To learn more, visit us online at [www.nciglobal.org](http://www.nciglobal.org).

## NCI GOES TO CHILE...

One of the most exciting things that has happened is the sending of NCI staffers John and Erin Fonner to Valdivia Chile! During their first month on the field John and Erin have already made many friends, connecting with university students and pastors in the area. To meet John and Erin [click here](#).

## TWO MONTHS OF TRAINING...

Over the past 2 months we have trained church planting leaders in Houston, Ft Worth, Austin, Philadelphia, Fayetteville (NC), Puebla Mexico, and Bogota Columbia! In addition we have assessed a dozen church planters in both English and Spanish languages. While it has been quite busy, it has been an extremely fruitful time of ministry in the U.S., Mexico, and South America. Please pray for us as we are putting together our training schedule for the fall! To learn about upcoming NCI training opportunities [click here](#). Also, check out the annual GlocalNet Conference that we cosponsor with Northwood Church, May 9-10.

## EQUIPPING PLANTERS IN BOGOTA COLUMBIA...

Last month we had the privilege of training pastors and assessing church planters in Bogota! God is moving in such a powerful way in that country! Church leaders have little time for training and planning because people are coming to Christ so fast and churches are springing up spontaneously! It was an amazing experience for us to get to serve these leaders. Due to the fact that Bogota can be a dangerous place, there is limited involvement from the Western church. Yet, there is great need and great opportunity. Please pray for us as we seek to discern God's direction for our involvement in Columbia.

## ***TWO NEW TRAINING ARTICLES FOR PLANTING LEADERS***

In March we began a 3-part series of training articles on "The Profile of a Church Planter." Read the first two articles in our Church Planters Notebook. Be looking for part 3 in May!

## ***TRANSFORM WORLD GATHERING IN JAKARTA!***

Next month I (Glenn) will be traveling to Jarkarta Indonesia to share with mission leaders from all over the world. In spite of great tragedy this year, God is doing phenomenal things in Indonesia. Please pray for me as I minister in Jakarta in early May.

## ***FUNDING NEEDED...***

The NCI Team is so grateful to God for allowing us to serve His Kingdom through the multiplication of churches! We are also grateful to so many of you who support our ministry financially. NCI is a 501 (c)3 not-for-profit ministry. All donations are tax deductible. You can contribute to our work by going to our [website](#) and clicking "Donate" or by mailing a check to NCI, 4771 Sweetwater Blvd. #334, Sugar Land, TX 77479.

There are many opportunities and requests both inside and outside the U.S. While many of the U.S. churches that we serve are able to support our work financially, most of those outside the U.S. are not. Your gifts enable us to serve God's Kingdom work as He opens doors. All donations are used to accelerate church multiplication in the U.S. and around the world!

Thank you again for being partners with us in this work through your prayers and your financial gifts. Glenn and the NCI Team (Jim, Sandy, Tom, Paul, John, and Erin)
